Lent.

a season of renewal

Reflection for the Third Week of Lent, March 12, 2023
 Karie Ferrell, Director of Lifelong Faith Formation

"Come see a man who told me everything I have done. Could he possibly be the Christ?" (John4:29)

In last week's reflection, I commented on the ways in which we might miss the moments of revelation like the moment the disciples experienced when they saw Jesus transfigured.

In this week's gospel reading we hear the story of woman who encounters Jesus, and even though there is no great white light transfiguring Jesus, she does encounter him at "about noon" the brightest time of the day.

This Samaritan woman is just going about her daily chore of getting water when Jesus commands her to give him a drink of water. The encounter begins with her questions: "How can you a Jew, ask me, a Samaritan woman, for a drink?" "... where can you get this living water?" "Are you greater than our father Jacob who gave us this well ...?"

In this conversation, you can see that this woman knows some theology, that she is not afraid to speak her mind and ask her questions, and that her mind and heart are open to hearing the good news that was revealed to her and she is transformed! She goes from a person doing her daily chores to an evangelizer who goes back to town and tells others to "Come see a man ...". Soon the town has been transformed into a people who believe, not just because they heard her, but because they have encountered Christ for themselves.

This is our calling during this Lent. We are called to walk our daily walk, and to be open for the signs and encounters that we will experience along our way and to be transformed by them! To come to a deeper belief, not just because of what another person has said, but because we come to that deeper belief through our own personal encounter with Christ.

Because of one woman a community was transformed. How will our parish community be transformed through your encounter with Christ and your willingness to share your belief with others?

The Archdiocese Women's Committee is an advisory committee that works directly with Cardinal Cupich

What You Think is Important To Cardinal Cupich

St. Nicholas parishioners Sheila Hebein and Cynthia Judge have been involved on a Diocesan level since March 16, 2019. They both served on the Archdiocesan Parish Council (APC) and Sheila switched and began serving on the Archdiocesan Women's Committee (AWC) in June 2019.

Because of the pandemic, the AWC started doing Hot Topics on zoom to give women across the Archdiocese an opportunity to give feedback to the AWC and therefore to Cardinal Cupich on several topics. This year the Cardinal wanted us to touch base with women to find out how they were feeling about Renew My Church (RMC). Some parishes went through RMC as early as 2018 and we know that St. Nicholas and St. Mary's unified as St. John XXIII!! In 2022 and we are still in the midst of RMC. If you decide to participate in one of these sessions, please keep that in mind. These zoom sessions will be facilitated by members of the AWC.

It's official! The **Disciple Maker Index (DMI) Survey** is a great way to reflect on your own spiritual growth while helping our parish plan for the future.

Complete the short, 10-15 minute **anonymous** survey at catholicleaders.org/chicagodmi or scan the code, or find a paper copy in the narthex or parish office after Mass.

Available from **Ash Wednesday, February 22 to March 31**. Don't miss this opportunity to be heard.

Your Church Needs You!

With Lent here and the active threat of Covid growing further and further behind us in the rearview mirror, this is a good time to prayerfully consider becoming a Liturgical Ministry at our St. Mary Church. This might include becoming a Lector, Usher or Greeter, Eucharistic Minister, Cantor or Choir Member. If you want just a seasonal ministry, how about our Art & Environment Team? And if your school aged child is interested in volunteering, they could become an Altar Server.

Don't forget that, despite our St. John XXIII Parish unification with St. Nicholas, St. Mary is still a very active worship site, and we need really want to return to Full, Active and Conscious Masses, so we need your help!

If you're interested, please reach out to me, Dianne Fox, and I'll help you discern what you might want to do and arrange for you to be trained!

Mass Intentions

Every mass is offered for the needs and intentions of someone. You can request that we support you in your intentions and your needs.
